School Jotter APP 1st October 2018

As from Monday 1st October we shall be using the new mobile App 'School Jotter' for communication with parents and you no longer receive text messages in the usual way.

Your child will have brought home a login and password, if you have not received this please let the school office know as without this you will not be able to receive text messages. Your user name and password can also be used on another device as an additional emergency contact. **PLEASE DOWNLOAD THE APP AND LOGIN IMMEDIATELY.**

The App runs on android and iPhone and can be downloaded in the following way:

Android Users: go to Google Play, search for School Jotter

iOS USERS: Go to the App Store and search for School Jotter

If you do not have access to either Android or iPhone, then please let the school office know so we can record this and make alternative arrangements.

School Jotter will also give you up to date reports of what is happening in school: activities, news bulletins, awards, diary dates, therefore after today we shall be only issuing monthly newsletters. Monthly newsletters will be available to see via the school jotter and on the website; if you require a paper copy please inform the office.

Thank you for your support in accommodating these changes; we are trying hard to improve communications and hope these changes will give you information that is current, up to date and useful. If you have any concerns, please do not hesitate to contact the school office.

Yours sincerely

Mrs L White
Headteacher
