Care and Safety

If you have any concerns or worries about your child's education or care and safety in school please speak to your child's class teacher initially, or please find me around school.

If I'm unavailable at a particular point in time, please direct any concerns about pupils to Mrs Wheatcroft (Deputy Headteacher) or Mr Batchford or Mrs Crabtree (Designated Safeguarding Leads).

School Gates and school doors are open from 8.40 am. Pupils are in school at this time and an after school appointment may be more appropriate if a conversation is needed with the class teacher.

Teaching time begins at 9 am; children should be in classes by 8.50 am - please arrange for an appointment to speak to the class teacher through Mrs Ward or Mrs Haresign in the office. Messages will be passed on - Staff will always call you back as soon as they are able to do so.

Any concerns / queries, however small, are always better discussed so issues don't escalate.

Thanks for your continuing support as we move our school forward and aim to make your child's time an enjoyable and skillful learning experience.

We always appreciate feedback, please feel free to complete our website feedback form or speak to us directly.
