Care and Safety

If you have any concerns or worries about your child's education or care and safety in school please speak to your child's class teacher initially, or please find me around school. If I'm unavailable at a particular point in time, please direct concerns to Mr Flint or Mr Batchford.

School doors are open from 8.40 am; and staff are available in classrooms if a quick chat will ease a concern. Teaching time begins at 9 am; children should be in classes at 8.50 am and after this time please arrange for an appointment to speak to the class teacher through Mrs Ward or Mrs Haresign in the office. Messages will be passed on - Staff will always call you back as soon as they are able to do so.

Any concerns / queries, however small, are always better discussed so issues don't escalate.

Thanks for your continuing support as we move our school forward and aim to make your child's time an enjoyable and skillful learning experience.
