Headteacher - Mrs Lisa White

INSET DAYS 2016-17 Friday 30th June 2017

Changes for this year ..

- Swimming on a Wednesday afternoon this term is for Y5/Y6 Mrs Callahan's class
- Forest School will take place on a Monday afternoon. Summer Term will be Mr Flint's class and Mr Batchford's.
- Wider Music opportunities this year will take place in Y3/Y4 classes - with Miss Vardy's class learning Flute/Fife this term.

As always it is a very busy Summer Term ...

Please note during July, we will be completing our Annual Assessments for End of Year Pupil Progress. This is passed onto their next class teacher or school as a starting point for the following year.

Furthermore, all pupils are part of a transition programme in the move to their next Year group. We have successfully developed moving all pupils for some or all of the days for the last 3 weeks of term into their new classes. This transition has greatly benefited pupils and parents' report that this has helped children settle really quickly in September. All the queries pupils have about moving are addressed prior to term ending.

If your child is removed from school during this transition period, please be aware of the impact this may have.
