DON'T FORGET ...

Last Inset day Friday 30th June

Congratulations to

Year 5 and 6 pupils need to be congratulated for their amazing speaking and listening skills being tour guides for our Year 2 pupils and parents on Thursday. We received so many complimentary comments from our new parents.

A new one for us, we went to the Golf tournament at Shirland Golf course. Town End came 1st and 4th out of 4 teams. They were amazing. Thanks to Wendy for her support and Molly, Daisy, Harry, AJ, Demi-Lea, Tommy-Ray, Kaytee, Eboney, Ben, Emilee, Charlie and Isaac for trying so hard, Our Quad kids: Danny, Libby, Paige, Callum, Millie, Thomas, Kallum, Jaiden, Daisy and Amy were fantastic on Wednesday afternoon at Tibshelf Community School, winning and going onto the district final.

We are Superstars !

Staff changes for September 2017

We welcome Mrs Spackman, an experienced teacher, who is coming to work with us in September 2017. Mrs Spackman currently works at Heath Primary School, and comes to us with outstanding references. She will be replacing Mr Flint as a class teacher in Year 3/Year 4.

Mr Batchford will be Acting Deputy Headteacher, safeguarding leader and continue to have responsibility for Maths for the Autumn Term.

Mrs Callahan will be our new English Subject Coordinator.

FSA and School Enterprise Summer Fayre

We are very thankful to all family members who help us organise and ensure this event runs smoothly. Monies raised make a huge difference and are used for the benefit of all pupils.

Our Year 5 pupils have been writing letters to local companies. Their 'writing for a purpose' has yielded huge rewards. They are so proud when their letter comes back and has a contribution, voucher or donated product.

So far they have vouchers for ...

Swim passes, Rollerworld tickets, Chesterfield Bowl vouchers, Bowling vouchers, Crich Tramway Tickets, Tesco vouchers, Haddon Hall tickets, and Pub vouchers.

If you know any local community companies who could help us, contribute a donation or time we would like to hear from them.

Care and Safety – School security and pupil safety

In order to keep pupils safe, our perimeter gates will be kept locked during after school sports activities. Staff running these activities will hand over pupils, as is the current routine but this will take place at the gate, once unlocked, and not at the door.

Thank you for your continual understanding and patience.
