This will be the first of four payments we will receive from the Co-op Local Community Fund.

Our Year 3 and 4 pupils will soon be beginning to plan and create designs for this exciting new area.

Thank you for your support in our project to create a sensory project on the playground.

Science Week

All children within school will be taking part in British Science week from the 12th to the 16th March 2018.

We have planned a whole host of exciting and interactive lessons based on the main theme of exploration and discovery within science. This week will allow children to focus on everyday discoveries and how they affect their lives by exploring science in the world all around us; from their home and schools, to their local area and wider environment. It is also a chance for the children to consider how exploration and discovery can have a positive impact on the future.

Any donations of cardboard, cereal box size and newspapers please to Miss Riley.

Care and Safety

If you have any concerns or worries about your child's education or care and safety in school please speak to your child's class teacher initially, or please find me around school.

If I'm unavailable at a particular point in time, please direct any concerns about pupils to Mrs Wheatcroft (New Deputy Headteacher)

School doors are open from 8.40 am; and staff are available in classrooms if a quick chat will ease a concern.

Pupils are in school at this time and an after school appointment may be more appropriate if a longer conversation is needed.

Teaching begins at 9 am; children should be in classes by 8.50 am and after this time please arrange for an appointment to speak to the class teacher through Mrs Ward or Mrs Haresign in the office. Messages will be passed on - Staff will always call you back as soon as they are able to do so.

Any concerns / queries, however small, are always better discussed so issues don't escalate.

Thanks for your continuing support as we move our school forward and aim to make your child's time an enjoyable and skillful learning experience.

We always appreciate feedback, please feel free to complete our website feedback form or speak to us directly.
